

ISM Ectura Cleansing Gel

- ✘ Contains natural mild enzyme extracts.
- ✘ Accelerating the metabolism of the old dead skin cells while cleansing the skin.
- ✘ Replenishes moisture while cleansing
- ✘ Correcting the pH of the skin, no need to use toner.

Main Ingredients :

Subtilisin, Sodium Lauroyl Glutamate, Anigozanthos Flavids Extract, Rhododendron Ferrugineum Extract, Malus Domestica Fruit Cell Culture Extract.

HOW TO USE:

1. To remove cosmetic:
Pump an appropriate amount on the palm, rub the face gently with your fingers in circular motions until the makeup dissolves, wipe off, then cleanse.
2. To cleanse:
Wet your face, pump a dime-sized amount to clean the face, then rinse.
